Welcome to Thinkuknow

Thinkuknow is the education programme from NCA-CEOP, a UK organisation which protects children both online and offline.

Explore one of the six Thinkuknow websites for advice about staying safe when you're on a phone, tablet or computer.

Are you...

4-7?	8-10?	Parent/Carer?
11-13?	14+?	Children's workforce?

JESSIE & FRIENDS New - Jessie & Friends!
Jessie & Friends is a series of three animations to help keep 4-7 year olds safe online.

REPORT ABUSE
Advice... Help... Report...

5

When should I report to CEOP?

Someone ... online is putting pressure on me to do things I don't want to do

Someone... I don't know is asking me to live-stream & do things I don't want to do

Someone... online keeps asking me to meet them face-to-face & I feel pressured by them

Someone... I met in an online game keeps trying to talk to me privately

24

Biggest computer game in the world right now is...

FORTNITE

250 million+ downloads

25

So what is it...?

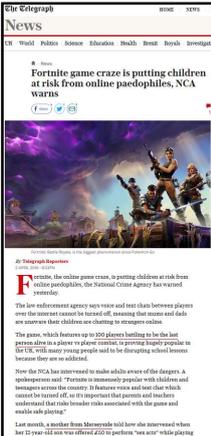

Fortnite is an online shooter that starts with 100 players and leaves **one winner standing**. **Battle Royale** sees 100 players parachute onto an island, and the last player alive wins. Each game lasts about **20 minutes**

It has a PEGI rating of **12**, for 'frequent scenes of mild violence'

12 Fortnite
Epic Games International S.à r.l., a Luxembourg Société à Responsabilité Limitée
You and your friends will lead a group of heroes to reclaim and rebuild a homeland that has been left empty by a mysterious darkness only known as "the Storm". Band together online to build extravagant...

The game is violent – it is a battle to the death, after all – but **the violence is rather cartoon-like** - it isn't bloody or particularly gory

26

National Crime Agency...

...has warned Fortnite is **putting children at risk** from online paedophiles due to the chat facility.

Although the game itself seems pretty harmless, **players can talk and type whatever they want** to each other, and bad language is rampant.

March 2018, a mother from Merseyside told how she intervened when her 12-year-old son was offered £50 to perform "sex acts" while playing the game by a man grooming him online.

27

Advice for parents on Fortnite...

- Be aware that there is mild violence - PEGI rating of 12
- Monitor who your child is talking to - check the communication settings
- Set up passwords on bank cards - lots of game purchase options
- Set up time limits on how long they spend playing...

28

Children hooked on addictive video games like Fortnite will be able to seek treatment on the NHS, after video gaming is classified as a medical disorder by the World Health Organisation (WHO).

The move comes amid increasing evidence of **young players suffering psychological distress and family breakdown as a result of their addiction.**

29

July 2019...Maybe some bad news for parents...

15 year old from London won nearly a million pounds after coming second alongside his teammate in the Fortnite World Cup finals

30

The next one in-line, thought that it could maybe overtake Fortnite...

The issues and dangers children face online

51

GROOMING

52

Child Exploitation Online Protection Centre (CEOP)

How do offenders engage youngsters?
- by using the sites that they use....

Often posing as a child of the same age / gender.
They will often purposefully present a very similar profile as the child.
They are skilled at manipulating them into criminal sexual relationships

53

Online grooming: The five stages

Friendship

1 Flattering a child into talking in a private chatroom/game where they will be isolated
The child will often be asked for a non-sexual picture of themselves

54

Online grooming: The five stages

2

Forming a relationship

Gaining information

asking the child what problems /needs they have to create the illusion of being their best friend and that they can help

They begin to fill the needs of the child

55

Online grooming: The five stages

3

Risk assessment

Asking the child about the location of their computer/tablet and **who else has access to it**

in order to assess the risk of being detected. The desire is to **create situations where they are alone together** to help reinforce a ***special connection***

56

Online grooming: The five stages

4

Exclusivity

Building up a sense of ***mutual love and trust with the child*** suggesting that they can discuss ***"anything"***

57

Online grooming: The five stages

5

Sex talk / Meet

Engaging the child in ***explicit conversations & requesting sexually explicit pictures from them***

At this stage the predator will usually try to ***arrange a meeting with the child***

78

Spotting the signs...

Being **secretive** about their online activities **spending more or less time** than usual online

Being **upset after using** their phone or laptop

Difficulty **sleeping**

Lacking **confidence or self-esteem**

Avoiding **social situations**

Becoming increasingly **withdrawn, upset or angry**

Not wanting to go to **school**

79

What should I do if my child is being bullied online?

Stay calm Listen without judging

Praise them for talking to you

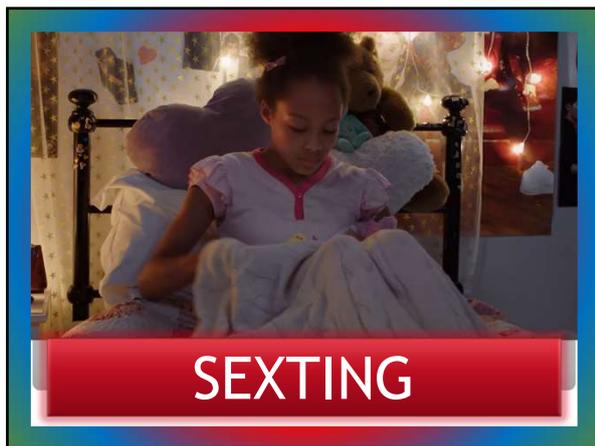

Tell them you can help **Ask them not to reply**

Block the bullies **Keep the evidence**

Report information to your child's school.

Education Child Protection Ltd.

80

81

When people talk about sexting, they usually mean **sending & receiving...**

Naked pictures or 'nudes'...

'...underwear shots'...

...sexual or 'dirty pics'...

...rude text messages or videos.

82

Why do children send inappropriate images / videos?

There are many reasons why a young person may want to send a naked/semi-naked picture, video or message to someone else...

- A** joining in because they think that 'everyone is doing it'
- B** boosting their self-esteem
- C** flirting with others and testing their sexual identity exploring their sexual feelings
- D** to get attention and connect with new people on social media
- E** they may find it difficult to say 'no' if somebody asks them for an explicit image, especially if the person asking is persistent

83

Blackmail, bullying and harm

Blackmail
An offender may threaten to share the pictures with the child's family and friends unless the child sends money or more images

Bullying
If images are shared with their peers at school, the child may be bullied

Sexting
can leave young people vulnerable to...

Emotional distress
Children feel embarrassed and humiliated. If they're very distressed this could lead to isolation or self-harm

Unwanted attention
Images posted online can attract the attention of sex offenders, who know how to search for, collect & misuse images

84

THE LAW....

Protection of Children Act 1978
Makes it an offence to take, make, show, distribute, possess (with a view to distribute) or publish an advertisement with an indecent photograph or pseudo-photograph of a child under the age of 18.

Criminal Justice Act 1988 part XI
Makes it an offence to possess indecent images of children.

Criminal Justice and Courts Act 2015 section 33
Makes it an offence to share private sexual photographs or films with the intent to cause distress.

Sexual Offences Act 2003
Lists sexual offences and their definitions. If an image being shared is of a sexual act, police must find out whether a sexual offence has been committed and act accordingly.

Sexting boy's naked selfie recorded as crime by police

3 September 2015 UK

A boy who sent a naked photograph of himself to a girl at school has had the crime of making and distributing indecent images recorded against him by police, the BBC has learnt.

The boy, aged 14, who was not arrested or charged, could have his name stored on a police database for 10 years.

Police have only recently started filing crime reports about sexting...

If school choose to take an incident to the police, then officers must record the crime.

86

Advice to children

LOSING CONTROL
Once you send a message you can't control what happens to it. Don't let someone guilt or pressure you into sending it

IWF
If you've sent a nude pic, have an honest conversation with the person you sent it to. Ask them to delete it

IWF
If an indecent or nude pic of you is posted online, you can contact the website directly or make a report online to try and get it removed.

87

"ZIPIT"

- Find out how to deal with a **sexting crisis**
- Support and advice** of what to do next
- Use **ChildLine and IWF** to remove images online
- Call ChildLine or save the number to your phone**

88

How we can make children safer online

ECP
Education Child Protection

89

Initial advice...

Use tools to help you reinforce time spent online

Set the tone for your child's internet use ASAP

Have a family agreement / contract

90

Safer searching

www.swiggle.org.uk

Search the internet...
Search the web from within Swiggle and find great new web sites.

We always recommend a child should have their own user login. Filters should be set to the highest the provider can offer.

97

Making things safer....

Search Settings

SafeSearch filters
Turn on **SafeSearch** to filter sexually explicit content from your search results.

Filter explicit results. [Lock SafeSearch](#)

98

Making things safer on Apple 'Family Sharing'...

Before your children can make a purchase, they must ask your permission.

99

Screen Time

Turn on Screen Time

1. On your iPhone, iPad, or iPod touch, go to Settings > Screen Time.
2. Tap Turn On Screen Time.
3. Tap Continue.
4. Select This is My [device] or This is My Child's [device].

You can now get a report about how you use your device, apps, and websites, any time you want.

If it's your child's device, you can set up Screen Time and create settings right on their device or you can use Family Sharing to configure your child's device from your own device. After you set up your child's device, you can also use Family Sharing to view reports and adjust settings any time, right from your own device.

100

Making things safer on Google 'Family Link'...

Keep an eye on screen time

Set limits

Lock their device

Whether it's time to go play outside, have dinner, or just spend time together, you can remotely lock a device whenever it's time to take a break.

101

Qustodio

Keep them Safe

Designed to solve parents' concerns

Qustodio gives parents visibility, and creates daily opportunities to talk with kids about their online experiences.

- Block Inappropriate Content**
Our smart filters block inappropriate content even in private browsing mode.
- Control Games and Apps**
Set time limits for games & apps or block apps you don't want from running altogether.
- Monitor Social Networks**
Monitor time spent on Facebook, Twitter, Instagram, Whatsapp and more.
- Location Tracking and Panic Alerts**
Track your child's location. In an emergency your child can send you Panic Alerts.
- Monitor Calls & SMS**
View your child's calls and texts, read SMS messages, and set a list of blocked contacts.
- Balance Screen Time**
Easily limit your child's screen time across all their devices.
